Good day,

I believe that your company would benefit from working with me because I meet all the conditions regarding knowledge of the graphic design profession but I am also optimistic about people and work. I offer my aesthetic sense, experience with 2D and 3D graphics, photography and retouch, WordPress, video editing. I speak English at B1 level.
I would be very happy to participate in an interview for hiring me.

Thank you and greetings sincerely.
Adam Sondel
